## REMEMBER this week

Spiritual myopia (near sightedness) is caused by only thinking about right now. It distorts our vision, blurs our future, affects our judgement, and makes every step uncertain. Through the lens of faith and eternity, Jesus' resurrection corrects our vision giving us present clarity, future certainty, accurate decision-making and trust in each step. For true vision gives us confidence to see that whatever is happening now, will never thwart God's purposes or promise to those who belong to him.

## table GRACE

Praise God,  
from whom all blessings flow;  
Praise Him, all creatures here below;  
Praise Him above, you heavenly host;  
Praise Father, Son, and Holy Ghost.  
Amen

## VERSE of the week

**"We give thanks to you,  
Lord God Almighty, the  
One who is and who was,  
because you have taken  
your great power and  
have begun to reign"**

Revelation 11:17

## THOUGHT for the week

You know, it's one thing to say you believe. It's another thing to have your faith tested severely and come out on the other side of it still believing God.
