

# Living Out Loud

every night...every home

2nd June 2019

## REMEMBER this week

The Resurrection gives us future certainty and a present reality. God is making all things new. Right now! This is not about waiting to “go to heaven when we die” but about heaven that has come to us so we can live! Right Now! Where every day becomes more beautiful as God reveals that the best is yet to come in us and through us. Now that’s life-transforming. Right now!

## table GRACE

(Sung to the Adam's Family tune)

Be present at our table Lord  
Be here and everywhere adored.  
These mercies bless and grant that we  
May feast in paradise with thee.  
Amen.

## VERSE of the week

**He who was seated  
on the throne said,  
“I am making  
everything new!”  
Then he said, “Write  
this down, for these  
words are trustworthy  
and true.”  
-Revelation 21:5**

## THOUGHT for the week

➤ If I find in myself a desire which no experience in this world can satisfy, the most probable explanation is that I was made for another world.'
