

Living Out Loud

every night...every home

7th April 2019

REMEMBER this week

(sung to tune, 'Jesus Loves Me' -
add chorus inbetween)

When you wander or go astray
Think you know a better way.
Head off down a harmful track
God is waiting to welcome you back

His steadfast love for you is great
And his mercy is an open gate
Through which he runs
to seek your face
And shower you with
amazing grace.

table GRACE

Lord, may this
meal warm our hearts and
nourish our bodies just as the
bread of your Word satisfies our
souls. May we forever feast at
the table of your abundant
joy and provision.
Amen.

VERSE of the week

**"But we had to
celebrate and be
glad, because this
brother of yours was
dead and is alive
again; he was lost
and is found."**

Luke 15:32

THOUGHT for the week

**Our God is a master
of turning devastation
into restoration**

1 lets SHARE

1. Share your highs and lows.
2. What is something that you have lost? Did you find it again?
3. How do you feel when you find lost things?
4. What is your most precious possession? How would you feel if it got lost?
5. Have you ever gotten lost? How did you get found again?
6. What are some things that you can do to stop losing things?
7. Jesus told lots of stories about lost things. But all of these stories ended with a celebration because the lost things got found. Who helps you to know Jesus? How could you celebrate these people?
