WEEK 5 OF SERIES:

LIVING THE RESURRECTION VICTORY

LIVING THE RESURRECTION VICTORY

TODAY'S READING

Revelation 11 & Revelation 14:6-13

If you are visiting with us,
we extend a special welcome
to you and invite you to stay
for morning tea with us
after the service.

Welcome to LifeWay. We are thrilled to have you here with us, whether you are a visitor, checking us out to see if this is the Church for you, with family or friends, or are a regular. Here at LifeWay, we are on a journey as God calls us to be a people who are living, sharing and growing in his resurrection victory. Wherever you are at, we would love to walk with you in the next stage of your journey. Please fill in a visitor card at the door with your details and leave it with the ushers or on your seat – we would love to keep in contact with you and acknowledge your time with us today.

To be a human is to suffer from chronic near-sightedness. We can't see tomorrow. It is rare if we can truly see today clearly. And our memories play tricks with the past... we remember what we want to remember... or we just forget... so even the past is foggy. Does that mean life is just random chaos, filled with uncertainty or insecurity? Or is there some sure anchor for our lives and our souls? Today John is shown the great hope to which all creation is drawn. The Father who created all things for his pleasure will one day rule over all things in love. Neither past, present or future are determined by us or by the circumstances of our lives or the challenges or threats we face. All of life is played out in the hands of Jesus who holds past, present & future in the sure grip of his life won for us by his death & resurrection. Living in trust is possible when we rely on the one who has been faithful from eternity to eternity. We'll explore and experience that today.

The mission team to Cambodia in July will be **building two new homes**, one in Beak Peang Village, and one in Tang Krang Village for two very poor families. They will also be **extending the kids learning area** at the church so the rain doesn't wet them.

Can you help us raise \$6000 to go towards these projects?

Please put your donation in an envelope in the offering plate marked Cambodia or do an NPP payment to finance@lifeway.net.au and mark Cambodia in the reference field.

A NOTE ABOUT THE LIFEWAY WEBSITE

For those on a Windows PC, please download Chrome, Firefox or Mozilla as your browser. There are two many glitches in Edge or Internet Explorer which will stop some things like the sermon playing.

PRAYER FOR THE WEEK

O Lord God, in the midst of the world where we experience heartache and despair, we thank you that you will not allow sin and rebellion to remain forever. We praise you because you are the great Judge of all the earth, and you will always do right.

We praise you, too, because we know that we ourselves deserve to fall under your judgment. Yet because of Jesus you have promised to save us and bring us safely home to be with you. Restore our sight to see things according to your true vision that we must walk in trust, knowing you will be with us with each step. We ask this in the name of Jesus. Amen.

WE PRAY...

- For all Christians that they may live with trust that God is in control in the midst of all they experience in this world.
- For those who live with fear that they might know God who is in control of all things – past, present and future.
- For those who feel their lives are out of control, that they might know the security of God's loving protection and presence.
- For Prime Minister Scott Morrison that his faith in God would give wisdom, understanding, compassion and mercy as he and his government govern for all people, tribes, nations and languages that make up this great country.
- For our mission partners in Cambodia, that God would give them patient endurance as they labour in God's field.
- For God to make all things new for those who are sick or in need of healing, especially Jenny Schneider, Emily Cooke, Gordon Mangelsdorf, Hedi Krause, Erna Kutas, Audrey and John Scarce.
