**Bless the food before us,
the family beside us,
and the love between us**

Amen.

VERSE for the week

“When you see the ark of the covenant of the Lord your God, you are to move out from your positions and follow it. Then you will know which way to go, since you have never been this way before.” (Joshua 3: 3a-4b)

(Joushua Chapter 3)

THOUGHT for the week

***"Never be afraid to
trust an unknown
future to a known
God."***

Corrie ten Boom

REMEMBER this week

The God we have faith in is the same yesterday, today & forever, but he calls us to trust him differently in the changing circumstances of our lives.

1 let's **SHARE**

1. Share your highs and Lows?
2. Have you ever had to do something brave that you'd never done before, like starting a new school, trying a new sport, or sleeping somewhere unfamiliar? What helped you feel okay about doing it?
3. In our story, God's people had to walk into a big, flooded river before it stopped flowing — they had to trust God *before* they could see how it would work out. Can you think of a time you had to trust God even when you couldn't see what would happen next?
4. What's one way you could be "different" this week trusting God even when something feels new or a little scary?
